Dear Annette Korbanka

For research purposes ONLY genotype results were generated for the DNA that you submitted from your pony/ies to assist in the identification of the mutation that causes Hoof Wall Separation Disease.

Glandys Dun Mabel	Normal*
Glandys Misty Cait	Normal*
Glaskopf Grey Carleen	Normal*
Glandys Pride Moyra	Normal*
Glandys Rocking Mary	Normal*
Woodfield Cracker Jack	Normal*
Glandys Miss Mole	Normal*
Masshill Lucy	Normal*
Corglass Bernice	Carrier*
Glandys Misty Oonagh	Normal*
Glandys Misty Morna	Normal*
Glandys Golden Carlyn	Normal*

\*These results were not performed as part of commercial DNA testing and therefore we do not guarantee the accuracy of these results. I highly recommend that your animals are tested with a commercial testing laboratory prior to making breeding decisions.

Sincerely,

A handwritten signature in cursive script that reads 'Danika Bannasch'.
